AND EAGLE DUNES HOMEOWNERS ASSOCIATION, INC.
FOR DECORATIVE HOLIDAY LIGHTING**

THIS AGREEMENT is made and entered into this _____ day of _____, 2024,
by and between:

Country Greens Community Development District, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes whose address is, 610 Sycamore Street, Suite 130, Celebration, Florida 34747 (hereinafter "District"), and

Eagle Dunes Homeowners Association, Inc., a Florida not-for-profit corporation, whose address is, c/o Leland Management, 6972 Lake Gloria Blvd., Orlando, Florida 32809-3200, (the "Association").

RECITALS

WHEREAS, the District is a local unit of special-purpose government established, pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, Florida Statutes ("Uniform Act"), by ordinance of the Board of County Commissioners in and for Lake County, Florida; and

WHEREAS, pursuant to the Uniform Act, the District is authorized to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge and extend, equip, operate, and maintain systems, facilities and infrastructure in conjunction with the development of lands within the District; and

WHEREAS, the District presently owns and is continuing to construct and/or acquire various systems, facilities and infrastructure including, but not limited to, entry and landscape areas and, as part of its operation and management of such areas, District desires to contract for and provide decorative holiday lighting (the "Holiday Lighting") each year; and

WHEREAS, the Association is a Florida not-for-profit corporation owning, operating and maintaining roads and various improvements and facilities in close proximity to District Property, and Association desires to contribute to the expense of the Holiday Lighting so that the; and

WHEREAS, for ease of administration, potential cost savings to property owners and residents, and the benefits of enhanced Holiday Lighting budgets, the District desires to contract with the Association to participate in the cost and selection of the Holiday Lighting; and

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. OBLIGATIONS OF THE PARTIES.

A. District Budgeting. On or before October 1 of each year of this agreement, the District shall adopt its budget for the fiscal year that begins on October 1 and shall, in its budget, determine the amount, if any, that the District intends to budget for the installation of Holiday Lighting for the Holiday Period (roughly defined as November 1 to January 1).

B. Association Budgeting. Association shall determine prior to the beginning of each fiscal year of its budgeting process the amount that Association intends to spend on Holiday Lighting during the Holiday Period falling in that fiscal year.

C. Budget Communications. Prior to the beginning of each of their respective budget cycles, the District and Association shall each appoint a representative to discuss and determine the scope and budget that each organization is proposing for the Holiday Lighting for the upcoming Holiday Period. Each representative shall communicate these discussions to its respective board.

D. Agreement as to Scope. Each of the District and Association, through their respective representatives, will determine an agreed scope and cost of the Holiday Lighting for the upcoming Holiday Period (the "Agreed Scope").

E. District Contract. The District will enter into a contract with a Holiday Lighting contractor acceptable to both the District and the Association ("Contractor") which provides for the Agreed Scope. The District shall manage the Contractor and the implementation of the work provided for in the Agreed Scope.

SECTION 3. COMPENSATION AND COST SHARING.

A. The District shall initially provide payment to the Contractor under the terms set forth in the contract it executes with Contractor.

B. Association agrees to share in the cost of the Agreed Scope by paying fifty percent (50%) of the cost within fifteen (15) days of receipt from the District of the Contractor's invoice. The obligation and timing to pay fifty percent (50%) shall apply to any deposit under the contract from the Contractor as well as the final payment.

SECTION 4. TERM. The term of this Agreement is for a period of three (3) years

commencing on October 1, 2024, and shall be automatically renewed for additional one (1) year periods after September 30, 2027, unless either party provides the other party at least sixty (60) days written notice of its intent not to renew. The District shall have the right to terminate this Agreement effective immediately at any time due to Association's failure to perform in accordance with the terms of this Agreement, or upon thirty (30) days written notice with a showing of cause. The District or the Association shall have the right to terminate this Agreement upon sixty (60) days written notice without a showing of cause, provided however; no termination of this Agreement shall relieve a party from the obligations that have already been undertaken with a Contractor with respect to the Holiday Lighting for a particular year already under contract.

SECTION 5. INSURANCE. Each party to this Agreement shall maintain, at its own expense throughout the term of this Agreement, insurance coverage from a reputable insurance carrier, licensed to conduct business in the State of Florida, and such carrier shall have a Best's Insurance Reports rating of at least A-. Policies shall provide for Commercial General Liability Insurance covering the legal liability for bodily injuries, with limits of not less than \$1,000,000 (one million dollars) combined single limit bodily injury and property damage liability.

SECTION 6. RECOVERY OF COSTS AND FEES. In the event either the District or the Association is required to enforce this Agreement or any provision hereof by court proceedings or otherwise then, if prevailing, the District or the Association, as applicable, shall be entitled to recover from the other all fees and costs incurred, including but not limited to reasonable attorneys' fees incurred prior to or during any litigation or other dispute resolution and including fees incurred in appellate proceedings.

SECTION 7. LIMITATIONS ON GOVERNMENT AL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, Florida Statutes or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 8. ASSIGNMENT. Neither party may assign this Agreement without the prior written approval of the other.

SECTION 9. INDEPENDENT CONTRACTOR STATUS. In all matters relating to this Agreement, the Association and District shall be acting as independent contractors. This Agreement shall not be construed to form a partnership or joint venture between the parties. Neither District nor Association shall not have any authority to assume or create any obligation, express or implied, on behalf of the other not shall they have authority to represent the other party as an agent, employee, or in any other capacity, unless otherwise set forth in this Agreement.

SECTION 10. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall neither control nor affect the meaning or construction of any of the provisions of this Agreement.

SECTION 11. AGREEMENT. This instrument shall constitute the final and complete

expression of this Agreement between the District and Association relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Association.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Association, both the District and the Association have complied with all the requirements of law, and both the District and the Association have full power and authority to comply with the terms and provisions of this instrument.

SECTION 14. NOTICES. All notices, requests, consents and other communications under this Agreement ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, as follows:

SECTION 15. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Association and no right or cause of action shall accrue upon or by

reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Association any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Association and their respective representatives, successors, and assigns.

SECTION 16. CONTROLLING LAW. This Agreement and the provisions contained in this Agreement shall be construed, interpreted, and controlled according to the laws of the State of Florida.

SECTION 17. PUBLIC RECORDS. The Association understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and shall be treated as such in accordance with Florida law.

SECTION 18. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 19. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Association as an arm's length transaction. The District and the Association participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen, and selected the language, and any doubtful language will not be interpreted or construed against any party.

IN WITNESS WHEREOF, the parties execute this agreement the day and year first written above.

Mr. Mena called the roll and indicated a quorum was present for the meeting.

Audience Comments

Staff Reports

Mr. Morrell suggested pressure washing the sidewalk on the west side of Cardinal Ln and the entrance columns for \$465.50. Ms. Catasus proposed

considering pressure washing contracts for future tasks, highlighting that the sidewalks inside the neighborhood and columns are the HOA's responsibility. Mr. Mena recommended offering the cleaning task to the HOA and suggested contacting them to gauge their interest. If interested, a proposal detailing the work and costs could be provided. Mr. Grall inquired about a sinking sidewalk, and Mr. Morrell mentioned plans for repair involving adding dirt and laying a new panel, also considering planning down the sidewalk instead of lifting it. ADA compliance was stressed by Mr. Mena. Mr. Grall pointed out a broken fence at the Tarragon/437 exit, and Mr. Morrell assured that repairs would be addressed promptly.

Servello Proposals for SR 44 Entrance:

Mr. Grall highlighted the need for edging in certain areas, with Ms. Catusus explaining that edging helps separate grass from sidewalks and pavement. Mr. Feliciano recommended monthly edging to address dead edges and more frequent edging at concrete areas. He assured close monitoring of this schedule, particularly with the new onsite account manager, Justin Nelson. Ms. Heintzelman suggested extending edging to include trees for comprehensive maintenance. Mr. Feliciano proposed enhancements for the entrance off SR 44, focusing on Zoysia grass installation, irrigation, and fertilization. Stump removal will be included as needed, but mulch is excluded. Ms. Catusus requested a separate proposal for St. Augustine grass. Mr. Feliciano clarified details regarding irrigation repairs and pricing for Zoysia grass. Ms. Catusus confirmed the removal of old hedges as part of Servello's demolition services. The proposal was approved, with an anticipated start date in the second week of March.

On MOTION by Ms. Heintzelman, seconded by Ms. Jones, with all in favor, to approve the Servello Proposal #8264, in the amount of \$14,319.80.

There was a motion to approve Servello Proposal #8265 for \$8,705.

On MOTION by Ms. Heintzelman, seconded by Mr. Warden, with all in favor, to approve the Servello Proposal #8265, in the amount of \$8,705.

Ms. Catusus cancels Servello proposal #8266, and Mr. Feliciano indicates an expected start date in the second week of March for proposals 8264 and 8265.

District Counsel:

Mr. Clark informs the board of the need for a 4-hour ethics training session this year, to be reported on Form 1 in 2025 for the 2024 year. The Florida Association of Special Districts offers an online course, costing \$79 per participant, reimbursed by the district. Contacts and enrollment links will be sent to Mr. Mena. While Form 6 is intrusive and has led to resignations among city council members, only Form 1 is required for board members. Mr. Clark suggests exploring potential benefits with Inframark for Country Greens. Mr. Mena will contact Inframark for information

on special pricing or services. Ms. Heintzelman prefers discussing these topics in a workshop in turn Mr. Mena suggests tabling the discussion until the next meeting.

District Engineer:

Mr. Hamstra confirms the completion of Project #1, involving pipe cleaning and inspection at Valderama Ln, costing \$6,500. Debris from the original builds was identified as a significant source. Additionally, Project #2, the Tuscan Avenue grate project, was finished within budget at \$650. He is currently focused on preparing the stormwater budget for FY 2025 and compiling a list of potential repairs needed for the same year, crucial for upcoming budget discussions. Meanwhile, Ms. Catasus is arranging to obtain drain inlet markers for free from the county, with volunteers available for installation.

District Manager:

Meeting Minutes from December 12, 2023, Regular Meeting

On MOTION by Mr. Grall, seconded by Ms. Jones, with all in favor, to authorize acceptance of the Meeting Minutes from December 12, 2023, Regular Meeting.

Mr. Grall proposes involving the HOA to organize Christmas decorations for the community. Mr. Clark agrees, seeing alignment with the HOA's vision, and expresses interest in collaborating with the CDD on the project. Mr. Mena will coordinate with legal counsel to draft an outline for potential collaboration between the HOA and the CDD for the initiative.

Financial Statements:

Mr. Mena updates the district's financial status, highlighting a surplus and stable financials due to a small increase last year. He emphasizes the importance of maintaining a flat budget moving forward, with budget discussions becoming a regular agenda item. The preliminary budget proposal is set for the April 9th meeting, followed by a final review on June 11th and adoption in August. Sorko's task completion has led to cost savings. Additionally, our checking account and money market are accruing interest at 5.38%. Ms. Catasus raises a concern about a missing letter from the monument sign to which Ms. Johnson assures that it will be installed by the end of the week.

On MOTION by Ms. Heintzelman, seconded by Mr. Grall, with all in favor, to authorize acceptance of the financial statements.

Fourth-Quarter Website Compliance Audit:

Mr. Mena conducted a review of the informational report for the fourth quarter website audit.

Initial Overview of FY 2025 Budget:

Mr. Hamstra is estimating costs for the FY 2025 budget, including a separate line item for Capital Outlay for Engineering. An additional \$1k is allocated for payroll to accommodate extra meetings for workshops, RFP discussions, and hurricane preparedness. Due to a slight increase, audit services will be expanded through an RFP process. R&M common funds will be used for landscape improvements and to establish a Miscellaneous fund, with a new line item work created for tree work and removals. Ms. Catusus requests proposals/contracts for tree removal in the new budget, with estimates of pine tree loss to be included. Townhomes will see a \$90 increase per year, while single-family homes will see a \$128 increase. It's emphasized that letters to residents should clearly show dollar increases, not just percentages. These adjustments aim to streamline budget allocation, address aging infrastructure, and ensure transparent communication. Ms. Catusus inquires about the landscape contract's expiration date, with Mr. Mena confirming a 2-year renewal at the same cost. Mr. Clark proposes renewing and discussing continued service With Servello. It's suggested to gauge Servello's stance and engage in dialogue before deciding in April.

FOURTH ORDER OF BUSINESS

Business Items

Consideration of Resolution 2024-02, Designating Officers, and Treasurer to the District

On MOTION by Ms. Jones, seconded by Mr. Warden, with all in favor, to authorize acceptance of the Resolution 2024-02, Designating Officers, and Treasurer to the District.

FIFTH ORDER OF BUSINESS

Supervisor Requests

Mr. Gall inquires about the new changes. Ms. Johnson presents a weekly Project Board overview, showcasing ongoing community projects, Servello updates, vendor information, Field Services activities, and project statuses. Additionally, Ms. Catusus requests an irrigation report from Servello as per their contract, with Mr. Morrell ensuring its timely receipt.

SIXTH ORDER OF BUSINESS

Adjournment

On MOTION by Ms. Jones, seconded by Mr. Grall, with all in favor, to adjourn the meeting at 6:57 p.m.

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Country Greens Community Development District
Lake County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Country Greens Community Development District, Lake County, Florida ("District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2023, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information Included in the Financial Report

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c) but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2024, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of Country Greens Community Development District, Lake County, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2023. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

FINANCIAL HIGHLIGHTS

- The assets of the District exceeded its liabilities at the close of the most recent fiscal year resulting in a net position balance of \$507,500.
- The change in the District's total net position in comparison with the prior fiscal year was (\$36,494), a decrease. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2023, the District's governmental funds reported combined ending fund balances of \$484,056, a decrease of (\$137,030) in comparison with the prior fiscal year. The total fund balance is non-spendable for prepaid items, restricted for debt service, assigned to operating reserves and subsequent year's expenditures, and the remainder is unassigned fund balance which is available for spending at the District's discretion.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by special assessment. The District does not have any business-type activities. The governmental activities of the District include the general government (management) and maintenance functions.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

OVERVIEW OF FINANCIAL STATEMENTS (Continued)

Fund Financial Statements (Continued)

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains two governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general and debt service funds, both of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets exceeded liabilities at the close of the most recent fiscal year.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,			
	2023	2022	
Current and other assets	\$ 502,581	\$ 633,908	
Capital assets, net of depreciation	3,012,577	3,128,612	
Total assets	3,515,158	3,762,520	
Current liabilities	68,660	65,983	
Long-term liabilities	2,938,998	3,152,543	
Total liabilities	3,007,658	3,218,526	
Net position			
Net investment in capital assets	73,579	(23,931)	
Restricted	217,432	194,475	
Unrestricted	216,489	373,450	
Total net position	\$ 507,500	\$ 543,994	

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure); less any related debt used to acquire those assets that are still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position may be used to meet the District's other obligations.

The District's net position decreased during the most recent fiscal year. The majority of the decrease represents the extent to which the cost of operations and depreciation expense exceeded ongoing program revenues.

Key elements of the change in net position are reflected in the following table:

CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30,		
	2023	2022
Revenues:		
Program revenues		
Charges for services	\$ 606,757	\$ 573,743
Operating grants and contributions	12,746	771
General revenues		
Interest income	18,457	3,432
Miscellaneous	1,582	-
Total revenues	639,542	577,946
Expenses:		
General government	151,535	130,698
Maintenance and operations	398,486	364,323
Interest	126,015	133,197
Total expenses	676,036	628,218
Change in net position	(36,494)	(50,272)
Net position, beginning	543,994	594,266
Net position, ending	\$ 507,500	\$ 543,994

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2023 was \$676,036. The costs of the District's activities were primarily funded by program revenues. Program revenues, comprised primarily of assessments and interest income. In total, expenses increased from the prior fiscal year, the majority of the increase is the result of an increase in engineering and legal services.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. The general fund budget for the fiscal year ended September 30, 2023 was amended to increase appropriations by \$85,000.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At September 30, 2023, the District had \$5,196,283 invested in capital assets for its governmental activities. In the government-wide financial statements depreciation of \$2,183,706 has been taken, which resulted in a net book value of \$3,012,577. More detailed information about the District's capital assets is presented in the notes of the financial statements.

Capital Debt

At September 30, 2023, the District had \$2,955,000 Bonds outstanding for its governmental activities. More detailed information about the District's capital debt is presented in the notes of the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

The District does not anticipate any major projects or significant changes to its infrastructure maintenance program for the subsequent fiscal year. In addition, it is anticipated that the general operations of the District will remain fairly constant.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, land owners, customers, investors and creditors with a general overview of the District's finances and to demonstrate the District's accountability for the financial resources it manages and the stewardship of the facilities it maintains. **COUNTRY GREENS COMMUNITY DEVELOPMENT DISTRICT
LAKE COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY

Country Greens Community Development District (the "District") was created on December 2, 1991 by Ordinance of the City Commission of Lake County, Florida under the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes, and was adopted as Lake County, Florida Ordinance 1991-16, under the name of Country Greens Community Development District. The Act provides, among other things, the power to manage basic services for community development, power to borrow money and issue Bonds, and to levy non-ad valorem assessments for the financing and delivery of capital infrastructure. The District was established for the purpose of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District. The District was created in 1991 but was dormant until 2001.

The District is governed by the Board of Supervisors ("Board") which is composed of five members. The Supervisors are elected on an at large basis by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes.

The Board has the final responsibility for:

1. Assessing and levying special assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable, and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments

Assessments are non-ad valorem assessments on benefited lands within the District. Assessments are levied to pay for the operations and maintenance of the District and provide funds for payment of the District's debt service payments. The fiscal year for which annual assessments are levied begins on October 1 with discounts available for payments through February 28 and become delinquent on April 1. The District's annual assessments for operations and debt service are billed and collected by the County Tax Collector. The amounts remitted to the District are net of applicable discounts or fees and include interest on monies held from the day of collection to the day of distribution.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental funds:

General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

Assets, Liabilities and Net Position or Equity

Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits.

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due. In addition, surplus funds may be deposited into certificates of deposit which are insured and any unspent Bond proceeds are required to be held in investments as specified in the Bond Indenture.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Inventories and Prepaid Items

Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets, which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the District are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Infrastructure	20-30
Equipment	10

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized ratably over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Fund Equity/Net Position (Continued)

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

Other Disclosures

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

NOTE 4 – DEPOSITS AND INVESTMENTS

Deposits

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

Investments

The District's investments were held as follows at September 30, 2023:

	Amortized Cost	Credit Risk	Maturities
First American Government Obligation Fund - CL Y	\$ 266,463	S&P AAAM	Weighted average of the fund portfolio: 24 days
	<u>\$ 266,463</u>		

The money market investment is held by the trustee or agent but not in the District's name.

Credit risk – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

Concentration risk – The District places no limit on the amount the District may invest in any one issuer.

Interest rate risk – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- *Level 1:* Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- *Level 2:* Investments whose inputs - other than quoted market prices - are observable either directly or indirectly; and,
- *Level 3:* Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. Accordingly, the District's investments have been reported at amortized cost above.

NOTE 6 – LONG-TERM LIABILITIES

Series 2016

In February 2016, the District issued \$3,165,000 of Senior Special Assessment Revenue Refunding Bonds, Series 2016A-1 and \$1,240,000 of Subordinate Special Assessment Revenue Refunding Bonds, Series 2016A-2. Series 2016A-1 is due May 1, 2034 with variable interest rate of 2% - 4%, and Series 2016A-2 is due May 1, 2034 with an interest rate of 5%. The Bonds were issued for the primary purpose of refunding the District's outstanding Series 2003 Special Assessment Revenue Bonds (the "Refunded Bonds"), the proceeds of which were used to finance the acquisition and construction of certain improvements for the benefit of the District. Interest is paid semiannually on each May 1 and November 1, commencing May 1, 2016. Principal is paid serially commencing May 1, 2017 through May 1, 2034.

The Series 2016 Bonds are subject to redemption at the option of the District prior to their maturity. The Bonds are also subject to extraordinary mandatory redemption prior to their selected maturity in the manner determined by the Bond Registrar if certain events occur as outlined in the Bond Indenture.

The Bond Indenture requires that the District maintain adequate funds in a reserve account to meet the debt service reserve requirement as defined in the Indenture. The Bond Indenture also has certain restrictions and requirements relating principally to the use of proceeds and the procedures to be followed by the District on assessments to property owners. The District agreed to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District is in compliance with the requirements of the Bond Indenture at September 30, 2023.

NOTE 6 – LONG-TERM LIABILITIES (Continued)

NOTE 7 – MANAGEMENT COMPANY

The District has contracted with a management company to perform management advisory services, which include financial and accounting advisory services. Certain employees of the management company also serve as officers of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting and other administrative costs.

NOTE 8 – RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims during the past three years.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**

The District is required to establish a budgetary system and an approved Annual Budget for the general fund. The District's budgeting process is based on estimates of cash receipts and cash expenditures which are approved by the Board. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. The general fund budget for the fiscal year ended September 30, 2023 was amended to increase appropriations by \$85,000.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors
Country Greens Community Development District
Lake County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Country Greens Community Development District, Lake County, Florida ("District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated March 25, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH THE
REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES, REQUIRED BY
RULE 10.556(10) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA**

To the Board of Supervisors
Country Greens Community Development District
Lake County, Florida

We have examined Country Greens Community Development District, Lake County, Florida's ("District") compliance with the requirements of Section 218.415, Florida Statutes, in accordance with Rule 10.556(10) of the Auditor General of the State of Florida during the fiscal year ended September 30, 2023. Management is responsible for the District's compliance with those requirements. Our responsibility is to express an opinion on the District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced in Section 218.415, Florida Statutes. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

In our opinion, the District complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2023.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, management, and the Board of Supervisors of Country Greens Community Development District, Lake County, Florida and is not intended to be and should not be used by anyone other than these specified parties.

Compliance Audit Overview

The Community Website Compliance Audit (CWCA) consists of a thorough assessment of Florida Community Development District (CDD) websites to assure that specified district information is available and fully accessible. Florida Statute Chapter 189.069 states that effective October, 2015, every CDD in the state is required to maintain a fully compliant website for reporting certain information and documents for public access.

The CWCA is a reporting system comprised of quarterly audits and an annual summary audit to meet full disclosure as required by Florida law. These audits are designed to assure that CDDs satisfy all compliance requirements stipulated in Chapter 189.069.

Compliance Criteria

The CWCA focuses on the two primary areas – website accessibility as defined by U.S. federal laws, and the 16-point criteria enumerated in [Florida Statute Chapter 189.069](#).

ADA Website Accessibility

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines – [WCAG 2.1](#), which is the international standard established to keep websites barrier-free and the recognized standard for ADA-compliance.

Florida Statute Compliance

Pursuant to F.S. [189.069](#), every CDD is required to maintain a dedicated website to serve as an official reporting mechanism covering, at minimum, 16 criteria. The information required to report and have fully accessible spans: establishment charter or ordinance, fiscal year audit, budget, meeting agendas and minutes and more. For a complete list of statute requirements, see page 3.

Audit Process

The Community Website Compliance Audit covers all CDD web pages and linked PDFs.* Following the [WCAG 2.1](#) levels A, AA, and AAA for web content accessibility, a comprehensive scan encompassing 312 tests is conducted for every page. In addition, a human inspection is conducted to assure factors such as navigation and color contrasts meet web accessibility standards. See page 4 for complete accessibility grading criteria.

In addition to full ADA-compliance, the audit includes a 16-point checklist directly corresponding with the criteria set forth in Florida Statute Chapter 189.069. See page 5 for the complete compliance criteria checklist.

* **NOTE:** Because many CDD websites have links to PDFs that contain information required by law (meeting agendas, minutes, budgets, miscellaneous and ad hoc documents, etc.), audits include an examination of all associated PDFs. **PDF remediation** and ongoing auditing is critical to maintaining compliance.

Accessibility overview

Everyone deserves equal access.

With nearly 1-in-5 Americans having some sort of disability – visual, hearing, motor, cognitive – there are literally millions of reasons why websites should be fully accessible and compliant with all state and federal laws. Web accessibility not only keeps board members on the right side of the law, but enables the entire community to access all your web content. The very principles that drive accessible website design are also good for those without disabilities.

The legal and right thing to do

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines, WCAG 2.1, the international standard established to keep websites barrier-free. Plain and simple, any content on your website must be accessible to everyone.

ADA Compliance Categories

Most of the problems that occur on a website fall in one or several of the following categories.

Contrast and colors

Some people have vision disabilities that hinder picking up contrasts, and some are color blind, so there needs to be a distinguishable contrast between text and background colors. This goes for buttons, links, text on images – everything. Consideration to contrast and color choice is also important for extreme lighting conditions.

Contract checker: <http://webaim.org/resources/contrastchecker>

Using semantics to format your HTML pages

When web page codes are clearly described in easy-to-understand terms, it enables broader sharing across all browsers and apps. This ‘friendlier’ language not only helps all the users, but developers who are striving to make content more universal on more devices.

Text alternatives for non-text content

Written replacements for images, audio and video should provide all the same descriptors that the non-text content conveys. Besides helping with searching, clear, concise word choice can make vivid non-text content for the disabled.

Ability to navigate with the keyboard

Not everyone can use a mouse. Blind people with many with motor disabilities have to use a keyboard to make their way around a website. Users need to be able to interact fully with your website by navigating using the tab, arrows and return keys only. A “skip navigation” option is also required. Consider using [WAI-ARIA](#) for improved accessibility, and properly highlight the links as you use the tab key to make sections.

Helpful article: <http://webaim.org/techniques/skipnav>

Easy to navigate and find information

Finding relevant content via search and easy navigation is a universal need. Alt text, heading structure, page titles, descriptive link text (no ‘click here’ please) are just some ways to help everyone find what they’re searching for. You must also provide multiple ways to navigate such as a search and a site map.

Helpful article: <http://webaim.org/techniques/sitetools/>

Properly formatting tables

Tables are hard for screen readers to decipher. Users need to be able to navigate through a table one cell at a time. In addition to the table itself needing a caption, row and column headers need to be labeled and data correctly associated with the right header.

Helpful article: <http://webaim.org/techniques/tables/data>

Making PDFs accessible

PDF files must be tagged properly to be accessible, and unfortunately many are not. Images and other non-text elements within that PDF also need to be ADA-compliant. Creating anew is one thing; converting old PDFs – called PDF remediation – takes time.

Helpful articles: <http://webaim.org/techniques/acrobat/acrobat>

Making videos accessible

Simply adding a transcript isn't enough. Videos require closed captioning and detailed descriptions (e.g., who's on-screen, where they are, what they're doing, even facial expressions) to be fully accessible and ADA compliant.

Helpful article: <http://webaim.org/techniques/captions>

Making forms accessible

Forms are common tools for gathering info and interacting. From logging in to registration, they can be challenging if not designed to be web-accessible. How it's laid out, use of labels, size of clickable areas and other aspects need to be considered.

Helpful article: <http://webaim.org/techniques/forms>

Alternate versions

Attempts to be fully accessible sometimes fall short, and in those cases, alternate versions of key pages must be created. That is, it is sometimes not feasible (legally, technically) to modify some content. These are the 'exceptions', but still must be accommodated.

Feedback for users

To be fully interactive, your site needs to be able to provide an easy way for users to submit feedback on any website issues. Clarity is key for both any confirmation or error feedback that occurs while engaging the page.

Other related requirements

No flashing

Blinking and flashing are not only bothersome, but can be disorienting and even dangerous for many users. Seizures can even be triggered by flashing, so avoid using any flashing or flickering content.

Timers

Timed connections can create difficulties for the disabled. They may not even know a timer is in effect, it may create stress. In some cases (e.g., purchasing items), a timer is required, but for most school content, avoid using them.

Fly-out menus

Menus that fly out or down when an item is clicked are helpful to dig deeper into the site's content, but they need to be available via keyboard navigation, and not immediately snap back when those using a mouse move from the clickable area.

No pop-ups

Pop-up windows present a range of obstacles for many disabled users, so it's best to avoid using them altogether. If you must, be sure to alert the user that a pop-up is about to be launched.

**FIRST AMENDMENT TO AGREEMENT FOR LANDSCAPE MAINTENANCE
SERVICES BETWEEN DISTRICT AND SERVELLO & SON, INC.**

THIS FIRST AMENDMENT ("First Amendment") is entered into by and between Country Greens Community Development District, a Florida community development district (the "District") and Servello & Son, Inc. (the "Contractor").

A. District and Contractor entered into that certain *Agreement for Landscape Maintenance Services*, dated June 1, 2021 (the "Agreement"), for landscape maintenance services within the District, subject to the terms and conditions more particularly spelled out in the Agreement.

B. Capitalized terms not otherwise defined herein shall have the same meaning ascribed to them in the Agreement.

C. District and Contractor desire to amend the Agreement as more particularly described herein.

NOW, THEREFORE, for and in exchange of good and valuable consideration, receipt and sufficiency of which being here acknowledged, the parties do hereby agree as follows:

1. Recitals. The foregoing recitals are incorporated herein by reference as if they are set forth below.

2. Term. Section 17 of the Agreement is hereby amended as follows:

"17. TERM. The District desires to employ the services of Contractor to perform the herein described services for an initial term beginning on June 1, 2021 and continuing for one (1) year ("Initial Term"). After the Initial Term, the parties have agreed to renew this Agreement each year through June 30, 2026 (the "Extension Term")."

3. Ratification. Except as modified herein, the Agreement remains unchanged and is in full force and effect. In the event of a conflict between the terms and provisions of this First Amendment and the Agreement, the terms and provisions of this First Amendment shall control and be given effect.

4. Execution. To facilitate execution, the parties hereto agree that this First Amendment may be executed and telecopied to the other party, and that the executed telecopy shall be binding and enforceable as an original. This First Amendment may be executed in as many counterparts as may be required, and it shall not be necessary that a signature of, or on behalf of, each party, or that the signatures of all persons required to bind any party, appear on each counterpart; it shall be sufficient that the signature of, or on behalf of, each party, or that the signatures of the persons required to bind any party, appear on one or more of such counterparts. All counterparts shall collectively constitute a single agreement.

IN WITNESS WHEREOF, this First Amendment is entered into as of the date the last of the parties shall execute this First Amendment as set forth below.

AGREEMENT BETWEEN OWNER AND CONTRACTOR FOR TOWING SERVICES FOR ILLEGALLY PARKED VEHICLES

THIS AGREEMENT made this ____ day of March, 2024, by and between MOON AUTO WORKS INC, a Florida Profit Corporation, whose address is 20024 E. State Road 44, Eustis, FL 32736 (the “Contractor”), and COUNTRY GREENS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, whose address is 313 Campus Street Celebration, FL 34747 (the “District”).

WITNESSETH, that the Contractor and the District, for the consideration named, agree as follows:

ARTICLE 1. SCOPE OF SERVICES: The Contractor will provide towing services for the District which will comprise of the towing of illegally parked vehicles within designated areas of the Country Greens Community Development District as subject to the Country Greens Community Development District Resolution 2023-02. The Effective Date of this Agreement shall be the date of execution by all parties. Contractor will provide and install signs complying with Fla. Stat. §715.07 at a cost of \$100.00 per installed sign.

ARTICLE 2. SERVICE REQUIREMENTS: Contractor will provide services 24 hours per day, 7 days per week 365 (or 366 if a leap year) days per year regardless of holidays.

ARTICLE 3. TOWING INSTRUCTIONS: Contractor will tow vehicles to the Contractor’s impound yard located at _____, only under the direction of authorized District personnel.

ARTICLE 4. RESPONSE TIME: Contractor shall arrive with a towing vehicle at the requested service site(s) designated by authorized District personnel within 30 minutes after the call has been placed. If, in isolated instances, the Contractor does not expect to respond to the call within the 30 minutes, he/she shall advise the authorized District personnel of an estimated response time.

ARTICLE 5. DRIVERS: Contractor shall have in its employ, or under its control, sufficient licensed, qualified and competent personnel to perform the towing services at the levels specified in this contract.

ARTICLE 6. PERFORMANCE: Contractor shall employ only such workers as are skilled in the task to which they are assigned. The District reserves the right to have Contractor require any employee to be reassigned should the District deem such employee incompetent, careless, insubordinate, or otherwise objectionable to work under this contract.

ARTICLE 7. BUSINESS OPERATING PERMITS AND CONTRACTS:

Contractor must adhere to and follow all laws, rules and regulations of the State of Florida or County of Lake in regard to the operation of its towing business, operation of motor vehicles and employment of personnel. Contractor shall be responsible for all licenses and insurance requirements to operate a towing business within the State of Florida.

ARTICLE 8. COMPENSATION: Contractor agrees to charge a set fee according to the schedule of fees attached as Exhibit "A" to have illegally parked vehicles removed from District's property. The fee shall not be increased without the District's written consent. The legal/registered owner of the vehicle, upon proof of ownership, shall be responsible for compensating Contractor to recover his/her vehicle. The District shall not be responsible for compensating Contractor for vehicles towed from District's property.

ARTICLE 9. VEHICLE DAMAGES: Contractor is responsible to the vehicle owner for the reimbursement of any vehicle damages during towing and storage and holds District harmless from any liability for such damages. Dispute resolution is a matter entirely between the Contractor and the vehicle owner(s). Ordinary claim and remedy procedures apply, subject to applicable rule(s), ordinance(s), or law(s).

ARTICLE 10. RIGHT TO TOW: The right to have a vehicle towed that is illegally parked upon District's property is authorized by the Country Greens Community Development District Board of Supervisors adoption of Resolution 2023-02.

ARTICLE 11. TERMINATION OF AGREEMENT: Either party may terminate this agreement upon thirty (30) days written notice to the other party sent to the address stated herein.

ARTICLE 12. PUBLIC RECORDS: The District is subject to the requirements of Chapter 119 of the Florida Statutes pertaining to Public Records. As such, all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by the District in connection with the transaction of its official business are public records.

In connection with this Agreement, Contractor shall comply Chapter 119, Florida Statutes, as follows:

A. Keep and maintain public records required by the District to perform the services that are the subject of this Agreement.

B. Upon the request of the District's Custodian of Public Records, provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by law.

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized

by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the District.

D. Upon completion of the Agreement, transfer, at no cost, to the District all public records in Contractor's possession or keep and maintain public records required by the District to perform the services that are the subject of this Agreement. If Contractor transfers all public records to the District upon completion of the Agreement, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the Agreement, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District's custodian of public records, in a format that is compatible with the District's information technology systems.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE DISTRICT'S CUSTODIAN OF PUBLIC RECORDS AT THE ADDRESS LISTED FOR THE DISTRICT IN THIS AGREEMENT.

ARTICLE 13. E-VERIFY REQUIREMENT: The District is subject to the requirements of section 448.095, Florida Statutes, pertaining to the use of the E-Verify system to confirm the work authorization status of all employees hired on or after January 1, 2021.

A. By signing this Agreement Contractor acknowledges and confirms that it is registered with and uses the E-Verify system to confirm the work authorization status of all new hires. Contractor further confirms that it shall only subcontract work to be performed under this Agreement to subcontractors who are registered with and use the E-Verify system and have provided to Contractor the affidavit described in section 448.095(5)(b). Contractor must maintain a copy of the subcontractor's affidavit for the duration of this Agreement.

B. Upon a good faith belief that Contractor has knowingly violated section 448.09(1), District shall terminate this Agreement. Such termination shall not constitute a breach by the District. In addition, Contractor may not thereafter be awarded a public contract for at least 1 year after the date on which this Agreement was terminated and shall be liable to District for any additional costs incurred thereby as a result of the termination.

C. Upon a good faith belief that any of Contractor's subcontractors have knowingly violated section 448.09(1), but the Contractor otherwise complied with this subsection, District shall promptly notify the Contractor and order the Contractor to immediately terminate its contract with the subcontractor.

RESOLUTION 2024-03

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTRY GREENS COMMUNITY DEVELOPMENT DISTRICT IMPLEMENTING SECTION 190.006(3), FLORIDA STATUTES, AND REQUESTING THAT THE LAKE COUNTY SUPERVISOR OF ELECTIONS CONDUCT THE DISTRICT'S GENERAL ELECTIONS; PROVIDING FOR COMPENSATION; SETTING FORTH THE TERMS OF OFFICE; AUTHORIZING NOTICE OF THE QUALIFYING PERIOD; AND PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Country Greens Community Development District (hereinafter the "District") is a local unit of special-purpose government created and existing pursuant to Chapter 190, Florida Statutes, being situated entirely within Lake County, Florida; and

WHEREAS, the Board of Supervisors ("Board") of the District seeks to implement section 190.006(3), *Florida Statutes*, and to instruct the Lake County Supervisor of Elections ("Supervisor") to conduct the District's General Election ("General Election").

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTRY GREENS COMMUNITY DEVELOPMENT DISTRICT;

1. GENERAL ELECTION SEATS. Seat 3, currently held by Joseph Grall, Seat 4, currently held by Anna Heintzelman, and Seat 5, currently held by David Warden, are scheduled for the General Election in November 2024. The District Manager is hereby authorized to notify the Supervisor as to what seats are subject to General Election for the current election year, and for each subsequent election year.

2. QUALIFICATION PROCESS. For each General Election, all candidates shall qualify for individual seats in accordance with section 99.01, *Florida Statutes*, and must also be a qualified elector of the District. A qualified elector is any person at least 18 years of age who is a citizen of the United States, a legal resident of the State of Florida and of the District, and who is registered to vote with the Lake County Supervisor of Elections. Campaigns shall be conducted in accordance with Chapter 106, *Florida Statutes*.

3. COMPENSATION. Members of the Board receive \$200 per meeting for their attendance and no Board member shall receive more than \$4,800 per year.

4. TERM OF OFFICE. The term of office for the individuals to be elected to the Board in the General Election is four (4) years. The newly elected Board members shall assume office on the second Tuesday following the election.

5. REQUEST TO SUPERVISOR OF ELECTIONS. The District hereby requests the Supervisor to conduct the District's General Election in November 2024 and for each subsequent General Election unless otherwise directed by the District Manager. The District understands that it will be responsible to pay for its proportionate share of the General Election cost and agrees to pay

same within a reasonable time after receipt of an invoice from the Supervisor.

6. PUBLICATION. The District Manager is directed to publish a notice of the qualifying period for the General Election, in a form substantially similar to Exhibit A attached hereto,

7. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining provisions of this Resolution, or any part thereof.

8. EFFECTIVE DATE. This Resolution shall become effective upon its passage.

PASSED AND ADOPTED THIS 9TH DAY OF APRIL, 2024.
